- No company not operating in the field of eSport and not approved by the national federation, on the national territory, can give itself the right to organize an eSport tournament of any size whatsoever.
- Any local company wishing to organize an eSport tournament must necessarily send a request for the organization and supervision of the tournament to the president with acknowledgment of receipt, once received, the secretariat will contact the project manager who will convene a working session to choose, with the agreement of the tournament manager, a tournament organization and management team for this purpose.
- Any athlete with a federation membership card or not, who will be caught participating in a tournament of a company not approved by the federation, will suffer sanctions up to being struck off and banned from tournaments on the plan national and international held by the federation.

Article – 22 SPORT AND MINORS :

- First of all, it should be pointed out that compulsory schooling falls, in principle, to children between 6 and 16 years old. Thus, it is in principle prohibited to employ workers under the age of 16 as professional players.
- It is now strictly forbidden for children under the age of twelve (12) to participate in video game competitions offering monetary rewards.
- Any person or company taken in such a position Attention, including negligence, allowing a minor under the age of twelve to participate in video game competitions offering rewards in sums of money is punished by the penalties provided for fifth class fines. and the rigor of the national federation will be unparalleled.
- In other cases, written authorization from the legal representative of the minor is required so that the child / adolescent can participate in the competition. This representative will in most cases be the parents of the minor. The organizer must keep a copy of this written authorization for one year as well as a copy of the representative's identity card.
- Then, the organizer has an obligation to inform the parents / guardians.
- The legal representative must be able to know the meaning of the PEGI signs (these drawings make it possible to limit the possession of certain games by certain minors who are too young when the software presents a risk for young people) affixed to the game used as a support for the competition.
- Finally, concerning the remuneration that the legal representative of the minor cannot recover minors under 16 years of age may receive during these eSport competitions.

All rights reserved: FEGeSport©, April 2020.

- If the minor is over 16 years old, the amount will be transferred directly to his bank account and he can dispose of it as he wishes.

Article – 23 ESPORT AND WOMEN

- Throughout the territory of the Republic of Guinea, the practice of eSport is by default mixed.
- All the disciplines of the various tournaments or competitions are accessible to them.
- All representations or clubs have the duty to promote and encourage the creation of players' clubs.
- All representations or clubs have a duty to promote equality in the participation of women or girls.
- Any player caught making inconvenient remarks to the players will be sanctioned with a penalty that may range from exclusion from competitions to complete removal from the national file.
- In the event of spectacular events, priority is reserved for women and children.

Article – 23 SPORT AND CIVILIZATION

- Given the serious and educational nature of the practice of eSport, all members of this federation are requested to ensure that they respect the fundamental rules of good citizenship.
- Any member carrying or benefiting from a national federation card must get rid of lies, of any nature whatsoever.
- Any member carrying or benefiting from a national federation card will undertake to consider all the other members as his brothers with the aim of seeing the ecosystem of the eSport of the Republic of Guinea develop and become from this point, a lever. development for all.
- Any member carrying or benefiting from a national federation card undertakes to provide everything in their power to the limit of possible, to help and facilitate the advancement of projects held by other members.
- Any member carrying or benefiting from a national federation card undertakes not to take any action or movement that would lead to the slowing down of the federation's activities.
- It is understood that respect for everyone is imperative within the structure. In the event of insults, racist or anti-Semitic remarks, or distressing behavior, a complaint can be filed with the administrative office, including the reason for this complaint, as well as supporting evidence.
