FÉDÉRATION GUINÉENNE DU ESPORT (FEGESPORT)

Minutes of the Annual General Assembly

Ensuring Good Governance, Compliance, and Transparency

1. NOTICE OF MEETING

The Annual General Meeting (AGM) of the National Federation for the 2026 financial year was held on 15 June 2026 by videoconference, in accordance with the statutory and regulatory provisions in force as well as the Federation's principles of good governance.

This General Assembly provided a privileged framework for evaluation and decision-making, enabling members to review the activities carried out during the past financial year, to examine the organisation's financial situation, to rule on matters relating to membership and federal life, and to define the strategic directions for the years to come.

The proceedings were conducted in compliance with the requirements of transparency, accountability, and conformity set out by the Federation's Statutes, the regulations of the International Esports Federation (IESF), as well as the applicable provisions of the competent national authorities.

2. ATTENDANCE REGISTER

An attendance register is kept in order to ensure transparency and accountability.

3. OPENING REMARKS

The President welcomed all participants and delivered the opening address.

> **Summary of President's Address:**
> The year 2025 was very positive despite several challenges. The athletes trained and prepared for international competitions with the same commitment as in previous years. The number of members continues to grow, which is reflected in the expansion of the national team and the increase in participation across all age categories. Youth championships are becoming more frequent thanks to this growth. The Federation anticipates steady progress over the next three years.

Quorum: Confirmed in accordance with the Federation's Statutes.

4. ROLL CALL OF MEMBERS AND ADOPTION OF THE AGENDA

Proposed Agenda:

- Opening of the meeting

- Roll call of members and confirmation of attendance
- Adoption of the agenda by the General Assembly
- Address by the President
- Approval of the minutes of the previous meeting
- Presentation and approval of the annual activity report
- Presentation of the financial statements, balance sheet, and accounts (by the Treasurer and the President)
- Approval of the budget for the next two years
- Miscellaneous

Roll Call Status: All regional representatives are present.

Total Number of Members Present: 21

Agenda: Approved

5. APPROVAL OF THE MINUTES OF THE PREVIOUS AGM

The minutes of the Annual General Meeting held in 2025 were presented.

Decision: Approved

6. ADDRESS BY THE PRESIDENT

The President presented an overview of the Federation's progress, including:

- An excellent year for the association;
- A 15% growth in participation compared to the previous year;
- An increase in the number of members;
- The strategic directions for development.

7. REPORTS

7.2 Report on Competitions and Events

- Presentation of the review of competitions and events organised by the Federation at local, national, and international levels, including national tournaments, community initiatives, and esports development activities across the entire national territory.
- Assessment of the planning, organisation, and management of events, with an analysis of the results achieved, the challenges encountered, the lessons learned, and the corrective measures envisaged to enhance the quality of future competitions.
- Presentation of the national competition programme, in particular the establishment of a structured annual calendar allowing the regular organisation of championships and tournaments in the main esports disciplines, with a view to fostering player participation and the development of competitive practice.

- Review of Guinea's participation in regional, continental, and world competitions, in particular events held under the aegis of the International Esports Federation (IESF) and the African Esports Confederation, as well as leading international competitions.
- Analysis of the sporting performances of the athletes and national teams, the results achieved, the technical coaching needs, and the actions undertaken to strengthen Guinea's competitiveness on the international stage.
- Presentation of the mechanisms for the selection, qualification, and preparation of the national representatives called upon to take part in international competitions, including the athletes' training, monitoring, and support programmes.
- Progress status of the university competition projects and the initiatives aimed at broadening the base of competitors, identifying new talent, and strengthening the bridges between the educational sector and esports.
- Presentation of the competition plan for the next sporting cycle, including the participation objectives, the funding needs, the preparation arrangements for the national teams, and the strategies for representing Guinea at African and world competitions.

7.3 Report on Development and Training

- Presentation of the progress made in implementing the grassroots development programmes aimed at promoting and structuring the practice of esports throughout the national territory.
- Assessment of the initiatives for talent identification, training, and support, as part of the long-term athlete development strategy and the strengthening of national sporting performance.
- Capacity building for coaches, mentors, and technical officials in order to improve the quality of athlete supervision.
- Prospects and priority actions to ensure a sustainable pathway for the development of young talent and the national teams.

7.4 Medical and Anti-Doping Report

- Presentation of the actions undertaken by the Federation to ensure compliance with the anti-doping rules and standards established by the World Anti-Doping Agency (WADA) and the International Esports Federation (IESF).
- Raising awareness among athletes, coaches, and mentors of the principles of sporting ethics, integrity, and the fight against doping in esports.
- Assessment of the prevention, control, and health-risk management arrangements put in place during competitions, training sessions, and other official activities of the Federation.
- Presentation of the medical safety measures, the protection of participants' health, and the intervention procedures applied during national and international events.
- Recommendations and prospects aimed at enhancing the well-being, health, and safety of the athletes in accordance with the international standards in force.

7.6 Marketing and Partnerships Report

- Presentation of the strategic partnerships and sponsorship agreements concluded during the financial year, as well as their contribution to the development of the Federation’s activities.
- Review of the institutional communication activities, media relations, and the visibility given to the Federation’s competitions, programmes, and initiatives.
- Assessment of the promotional campaigns carried out in favour of esports, community mobilisation, and the strengthening of the Federation’s image among the general public and partners.
- Analysis of the impact of the marketing activities on increasing the Federation’s profile, attracting new partners, and growing the membership base.
- Prospects and strategies for communication, marketing, and partnership development for the coming years.

7.8 Report on Athlete Protection and Well-Being

- Presentation of the protection policies, mechanisms, and arrangements implemented by the Federation in order to ensure a safe, inclusive, and respectful sporting environment for all athletes, officials, and stakeholders.
- Assessment of the prevention, awareness-raising, and training activities relating to the fight against harassment, abuse, discrimination, violence, and any other form of conduct contrary to sporting ethics.
- Presentation of the procedures for reporting, handling complaints, and managing incidents, ensuring the confidentiality, fairness, and protection of the individuals concerned.
- Review of the Federation’s level of compliance with the safeguarding, integrity, and athlete protection policies established by the International Esports Federation (IESF) as well as by the competent national authorities.
- Recommendations and future actions aimed at strengthening the safety and the physical and psychological well-being of the athletes and at promoting a culture of respect, integrity, and responsibility within the esports ecosystem.

7.9 Report on Youth Development

- Presentation of the programmes and initiatives implemented to foster the identification, training, and support of young talent in the field of esports.
- Review of the participation of young athletes in the regional, continental, and world competitions organised under the aegis of the International Esports Federation (IESF), as well as an assessment of their performances and achievements.
- Presentation of the training, technical coaching, and capacity-building activities intended for young players, coaches, and managers of development structures.
- Assessment of the protection, safeguarding, health, and anti-doping awareness measures put in place to ensure a safe environment that complies with international standards.
- Analysis of the strategies adopted to increase young people’s participation in esports, promote inclusion, and foster the emergence of a new generation of competitive athletes.

- Presentation of the partnerships and collaborations developed with schools, universities, clubs, youth associations, and national sports development programmes.
- Prospects and recommendations aimed at sustainably strengthening the youth pathway and ensuring the renewal of the national teams across the various esports disciplines.

8. FINANCIAL REPORT

Presentation of the Federation's financial statements for the past financial year, together with the control and audit reports, highlighting the overall financial situation as well as the management of the organisation's resources.

The financial report includes, in particular:

- A detailed analysis of the revenue from membership fees, licences, affiliation fees, and other statutory contributions;
- A statement of the income generated by institutional partnerships, sponsorship agreements, grants, donations, and other sources of funding;
- A presentation of the expenditure incurred for the organisation of competitions, training programmes, athlete development, participation in international events, and esports promotion activities;
- A review of the administrative and operational expenses related to the running of the Federation, including management, communication, governance, and logistics costs;
- An assessment of the Federation's overall financial situation, together with recommendations aimed at ensuring sound, transparent, and sustainable management of financial resources.

The financial statements were prepared by the Treasurer and the President and approved by the General Assembly.

New Budget: Presented for review and attached to the official records.

9. MEMBERSHIP MATTERS

- **Review and approval of new club membership applications:** No applications received.
- **Discussion on suspensions or exclusions:** None.

10. GOVERNANCE, COMPLIANCE, AND POLICY UPDATES

- Review of the proposed amendments to the Federation's Statutes;
- Discussion on compliance with the regulations of the IESF, the IOC, and the national authorities;
- Implementation of new policies, particularly regarding integrity and protection.

12. ANY OTHER BUSINESS

Consideration of any other matter raised by the members.

13. CLOSING OF THE MEETING

- Summary of the resolutions adopted;
- Presentation of the next steps and strategic objectives.

14. SIGNATURE AND CERTIFICATION OF THE MINUTES

The President:

Moussa Camara

Date:

15 June 2026
