Strategic Initiatives for the Development of eSports in Morocco (2025–2027):

- ✓ Continue organizing national qualifiers and regional competitions:
  -**National Level:**
  - eDawry
  - eBotola
  - Qualification for African Championship (IESF World Cup , Arab eSports League, NBA 2K, EA FC….)

  -Regional Level:
  - African Championship qualification (IESF World Cup)

  -International Competitions:
  - Arab eSports League
  - FIFAe World Cup
  - FC Pro
  - IESF World Championship
  - Mediterranean eSports

- ✓ Training and support for associations affiliated with the FRMJE.
- ✓ Supervision and equipping of youth centers: 114 youth centers have been equipped so far, with a goal to equip 100 more this year.
- ✓ Creation of platforms for better coordination with member associations of the FRMJE.
- ✓ Organizing activities in youth centers and hosting tournaments across the Kingdom.
- ✓ Training and development programs for young people throughout Morocco.
- ✓ Assist students during their final year projects and scientific research to gain experience and get closer to the world of eSports
- ✓ Oversee national team selections.
- ✓ Host bootcamps and mental coaching sessions for national teams.
